

Sidekick™ Lower Deck

The Sidekick Lower Deck is a convenient footrest for a rear-seated passenger, extra storage space for cargo or additional support for loaded Cargo Hold™ Panniers on the Tern GSD.

Weight Limits

Do not exceed 25 kg (55 lbs) per side.

Carrying Passengers

- ⚠ Passenger should NEVER stand, mount or dismount by stepping on the Lower Deck.
- ⚠ It may be illegal to carry passengers on a bike in your area even if it has been designed or configured to do so. Check your local regulations before carrying passengers.

Seat Pad

We strongly suggest that the Lower Deck be used in conjunction with the Sidekick Seat Pad.

Handholds

Whenever the GSD is in motion, the passenger must hold on to something stationary such as frame, saddle or add-on handle.

Helmet

Passengers must wear an approved helmet.

Attire

Avoid wearing loose-fitting clothing such as skirts, pants, and shoelaces which can get caught in the spinning wheel. Take care that all straps are tied down.

Protection from Tire

The Lower Deck and Seat Pad must be used with a set of flat folding Tern Cargo Hold Panniers or pannier bags to act as a safeguard from the tire.
